

One of the world's best golf destinations, first class golf courses and luxury accommodation. Here's an open invitation to come and join the adventure.

China Golf Week Haikou, Hainan Island – China October 20th to 26th, 2019

What more could you want in a Tour, 5-star Luxury Accommodation – 4 rounds on championship courses, your own caddie and cart with men's and women's divisions.

This 7-day, 6-night tour to Hainan Island starts at the magnificent Mission Hills Haikou Resort. Hainan Island is a short 1-hour flight from Hong Kong, situated in the South China Sea.

You will be playing golf on some of Asia's best championship courses, 4 rounds at the outstanding Mission Hills Haikou Resort with your own caddy and cart on a different course each day.

The inaugural China Golf Week is one everyone can enjoy regardless of their golf ability. For most players there is an opportunity to win a prize with different handicap divisions and for the low handicap players (0 – 9) there will also be a true scratch competition.

If you take up the challenge and join us for this event, you will play a different course each day of the tournament, enjoy great company and compete with people from different countries. Plus, you can win excellent prizes. Most of all, you will enjoy a great golfing experience, lots of fun and a few cocktails at one of the best golf locations in the world.

THE GOLF COURSES

There are ten courses at Mission Hills Haikou, we will play the best 4 including Blackstone, Lava Fields, Sandbelt Trails and The Vintage. The Blackstone course was the venue for the 2011 World Cup of Golf won by Matt Kuchar and Gary Woodland.

BLACKSTONE - MISSION HILLS

The Crown Jewel, a spectacular 350-acre site that weaves through a landscape of mature trees, thick jungle vegetation and expansive lakes and wetlands. The dominating feature is the bed of lava rock. The naturally rolling terrain has dramatic elevation changes and great care was taken to find as many natural holes as possible to avoid cutting into the rock and preserve the Lychee trees.

Bring your camera this is a beauty.

LAVA FIELDS - MISSION HILLS

While similar in some ways to Blackstone, Lava Fields has irregular lines of turf and wild bunkering and far less tree cover. This gives a feeling of expanse where black rock and sand dominate the landscape like no other course you would have played anywhere in the world.

SANDBELT TRAILS - MISSION HILLS

Sandbelt Trails was inspired by the architecture of the Melbourne sandbelt, courses like Royal Melbourne, Kingston Heath and Metropolitan. Large greens and large bunkers with gently rolling terrain allow for width and better angles of attack.

THE VINTAGE - MISSION HILLS

A little of everything here, 250 acres creates room to move, deep pots, long thin bunkers, mounds, blind shots with both small and large greens. Could be a day out.

THE COMPETITION

As with all our events, you don't have to be a great player to take part in this tournament, all you need is an official handicap and enjoy playing great courses.

The tournament is set up to be competitive but a fun event with daily prizes. The main competition will be for the best stableford scores over the four rounds. The tournament will be played on a different course each day.

As most people will have travelled a full day to get to HAIKOU, we have put in a rest day after 2 rounds to allow you to recharge your batteries or see the sights around Mission Hills.

The tournament is open to women and men and there will be different handicap divisions. There will be a stableford competition in all divisions and the Championship division will also have an adjusted gross section for those between 0 and 9 handicaps.

There will also be a daily fun "side bet" for those who want to enter on the day (not compulsory).

THE CADDIES

International golf courses in China, like most Asian countries provide caddies and carts for all players, this is included in your tour cost, however, please be aware that caddies are normally clothed, fed and sometimes housed by the golf course or resort. They usually only receive a small portion of the caddy fee charged by the course, so the only money they really make is from tips. We recommend that the notional tip you should give is in the order of AUD \$10 to AUD \$20 per round, (¥50 to ¥100 RMB or CNY) they do a great job.

THE HOTEL

Positioned as one of the finest luxury hotels in Hainan Island, Mission Hills Resort has tastefully appointed rooms and suites with unique designs and amenities to ensure guests enjoy the highest levels of comfort. Each guestroom has a balcony with golf course views. The complex also houses world class sports, leisure, entertainment and dining.

Guests have access to the recreation centre and spa. Facilities include indoor and outdoor swimming pools, water park, manmade beach, gym, foot reflexology centre and

much more. Perhaps one of the best attractions is 168 hot and cold mineral spring pools making Mission Hills Haikou the worlds biggest mineral springs resort.
